

VIVA AND VIVA INSIGHTS WORKSHOP

Discover how Microsoft Viva, an integrated platform built on top of Microsoft Teams, can help digitally reimagine the employee experience. Enable your people to be their best and thrive in the new reality.

Empowering people to thrive in a more flexible work world requires rethinking everything—from how to empower managers, to how you create culture in this new work environment.

There is an urgent need to digitally reimagine the employee experience. Employees are challenged with a growing imbalance between work and life, increased burnout, and decreased wellbeing. Organizations are challenged with employees wanting more flexible remote work options, and yet more meaningful in-person collaboration. Teams are facing diminishing social capital.

Microsoft Viva empowers people and organizations to remain productive, increase wellbeing, and provide meaning human connections in face of modern challenges.
